DOCKET NO. W-02065A-08-0138

STAFF'S MOTION FOR A PROCEDURAL  
ORDER DIRECTING A *NUNC PRO TUNC*  
ADMINISTRATIVE CORRECTION OF  
DECISION 71234

On August 6, 2009, The Arizona Corporation Commission ("Commission") issued Decision No. 71234 in the above-captioned matters.

Staff has recently become aware of an administrative error within the Decision.

On May 29, 2009, Commission Utilities Division Staff ("Staff") docketed the Staff Report for Docket Nos. W-02065A-07-0306, -0307, and -0312. Docket No. W-02065A-08-0138 was later administratively closed, and no Staff Report was ever issued with regard to that application. Within the Staff Report, Staff provided Schedule JMM-4, which illustrated Staff's recommended rate design. Within Schedule JMM-4, on page 2 of 2, Staff made reference to a charge for a "Deferred Payment (per annum)". The charge appears as "6.00%" for all three columns of the schedule.

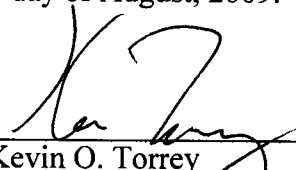

<sup>1</sup> On February 4, 2009, this Docket was closed administratively.

1           These same charges are referenced in Decision No. 71234, first within the Findings of Fact  
2 section on page 9, at approximately line 14, and then within the ordering paragraphs on page 21, at  
3 approximately line 25. In both of these places, the Deferred Payment charge is listed at the  
4 appropriate 6.0%. However, the time period is incorrectly labeled as "Per Month".  
5

6           It is readily apparent that the discrepancy between the Staff Report and Decision No. 71234 is  
7 a simple administrative error. Accordingly, the error is properly corrected with the issuance of a  
8 Procedural Order directing the necessary changes.

9           WHEREFORE, Staff respectfully requests that the Hearing Division issue a *Nunc Pro Tunc*  
10 Procedural Order directing that Decision No. 71234 be administratively corrected, such that on page  
11 9, approximately line 14, and again on page 21, at approximately line 25, within the expression  
12 "Deferred Payment (Per Month)", the word "month" is stricken and replaced with the word "annum",  
13 as appears in the Staff Report.

15           RESPECTFULLY SUBMITTED this 27<sup>th</sup> day of August, 2009.
